The NARI Fox Valley Sporting Clay Shoot is a great way to entertain clients, reward staff, and enjoy an evening with other professionals in the remodeling industry.

Your generous support of the 14th Annual Sporting Clay Shoot Fundraiser allows us to continue to provide scholarships for students pursuing a career in the Home Remodeling Industry. These students are the next generation of NARI members.

What is a Sporting Clay Shoot?

Sporting Clays is a clay target game designed to replicate every conceivable shot encountered in field shooting. On a Sporting Clays course, shooters are presented with a wide variety of targets that simulate the flight path of different game species such as teal, dove, quail, pheasant and even bouncing rabbit). You will have to opportunity to shoot at targets simulating flushing, crossing, incoming and other angling shots.

NARI Fox Valley is a non-profit trade association, whose members pledge to uphold the associations Code of Ethics, and who are dedicated to the professionalism and integrity of the remodeling industry.
